

Africa

About

Bristow Group's Africa Region comprises operations in Nigeria and affiliate Petroleum Air Services (PAS) in Egypt. With regional headquarters in Lagos, Bristow provides helicopter services to the offshore energy industry, serving major integrated offshore energy companies. The company has been involved in Nigerian aviation and the oil and gas industry for more than 50 years. The marketplace for Bristow's services has historically been concentrated predominantly in the shallow waters of the Niger Delta area.

Joint Ventures / Affiliates / Partnerships

Bristow Helicopters Nigeria Ltd. - Bristow Helicopters (Nigeria) Limited (BHNL) is a joint venture in Nigeria in which Bristow Helicopters owns a 48% interest, a Nigerian company owned 100% by Nigerian employees owns a 50% interest and an employee trust fund owns the remaining 2% interest as of December 31, 2015. BHNL provides helicopter services to clients in Nigeria.

Pan African Airlines (Nigeria) Limited - Pan African Airlines Nigeria Ltd. (PAAN) is a joint venture in Nigeria with local partners. PAAN provides helicopter services to clients in Nigeria.

BGI Aviation Technical Services - BGI Aviation Technical Services (BATS) provides aviation engineering and technical services to the Nigerian aviation market. BATS headquarters is at GRA Ikeja Lagos, and a service office is located at the General Aviation Area of Murtala Muhammed Airport, including a fully-equipped heavy maintenance hangar and management offices. In Port Harcourt, the company has a full maintenance hangar in addition to its support facilities. BATS also operates from customer bases in Warri, Eket, and Escravos.

Petroleum Air Services - Bristow owns a 25% interest in Petroleum Air Services (PAS), an Egyptian corporation which provides helicopter and fixed-wing transportation to the offshore energy industry. Additionally, spare fixed-wing capacity is chartered to tourism operators. PAS operates helicopters and fixed-wing aircraft from multiple locations. The remaining 75% interest in PAS is owned by the Egyptian General Petroleum Corporation.
