

Bristow Academy

About

Bristow Academy is one of the world’s largest commercial helicopter training providers with almost 30 years of operating history and training facilities in Titusville, Florida and Carson City, Nevada. The director for Bristow Academy is Todd Smith, with headquarters in Titusville, Florida. Bristow Academy trains students from around the world to become helicopter pilots and is approved to provide helicopter flight training by both the U.S. Federal Aviation Administration (FAA) and the European Aviation Safety Agency (EASA). A significant part of Bristow Academy’s operations include military training.
