

## Asia Pacific

### About

Bristow Group's Asia Pacific Region comprises operations in Australia, Southeast Asia and Russia, including Malaysia and Sakhalin Island. The regional director for Asia Pacific is Dapo Oyeleke, with headquarters in Perth, Australia. Bristow began operations in Australia in 1967 and is now the largest provider of helicopter services to the oil and gas industry in the country.

Bristow currently supports oil and gas exploration and production in the North West Shelf of Western Australia and Bass Strait in Victoria. Bristow also provides maintenance and logistics support for the Republic of Singapore Air Force.

The Asia Pacific region also operates Bristow Travel (Australia) an International Air Transport Association (IATA) accredited travel agency. Bristow Travel offers clients a single-call, door-to-destination service on both fixed wing and helicopter connections. Through Bristow Travel, clients have visibility on all travel schedules, access to dedicated airport check-in counters, airside baggage transfer and main airport passenger screening.

### Joint Ventures / Affiliates

**Airnorth** - Airnorth is a wholly owned subsidiary of Bristow Helicopters Australia. Airnorth is the largest regional airline operating across Northern Australia. Airnorth's fixed-wing operations are based in Darwin, Northern Territory, Australia, and include both scheduled and charter services, which focus primarily on the energy and mining industries in northern and Western Australia, and international service to Timor-Leste and the Philippines. Airnorth enables Bristow Australia to extend its existing operations beyond rotary wing to include fixed wing, enhancing the company's service to clients as an integrated aviation provider.

**AviaShelf** - Bristow Aviation has a 48.5% interest in AviaShelf Aviation Co. (AviaShelf), a Russian helicopter company. Additionally, Bristow owns 51% of two UK joint venture companies, Bristow Helicopters Leasing Ltd. and Sakhalin Bristow Air Services Ltd. These two UK companies lease aircraft to AviaShelf, which holds the client contracts for Bristow's Russian operations.

**Bristow Management Services** - Trades as Bristow Defence Industries (BDI) and delivers the military support aspect of Bristow in Australia. BDI supports the Republic of Singapore Air Force (RSAF) at Oakey providing full maintenance and logistics support to a fleet of Super Puma helicopters for the Singapore Government. BDI commenced work for the RSAF in 1998 partnering to support their Oakey Detachment. BDI also conducts the Apprentice Training in Australia, a positive commitment to both Bristow Group and the aviation industry in Australia.
