

BRISTOW UK SAR TECHNICAL CREW TRAINING; SAR PARAMEDICS OF THE FUTURE.

The SAR Paramedic role requires an understanding of, and the ability to make decisions involving, the aviation, rescue and clinical requirements during the challenging and sometimes extraordinary circumstances of the UK SAR environment.

Bristow Helicopters employs approximately 50 SAR Paramedics, spread over 10 bases in the UK. We are committed to ensuring that the SAR Paramedic numbers are sustainable and that the quality of training is maintained into the future. Exciting new opportunities are just around the corner for registered UK paramedics to join the UK SAR team . . . **have you got what it takes?**

WHEN EVERY SECOND COUNTS, HOW WILL YOU RESPOND?

IF YOU COULD RESPOND TO THESE TYPES OF INCIDENTS, THEN A CAREER AS A SAR PARAMEDIC MAY JUST BE RIGHT FOR YOU.
